

# SUNPOWn

## Carry-All

The Carry-All is a versatile tool with hundreds of uses. The frame is made of heavy duty angle iron with pre-punched holes which readily accept plywood or plank lumber to create a working platform. With a lift capacity of 1,000 lbs., it makes a great tool to carry feed, rocks, wood, and fencing supplies, plus much, much more.

## Boom Pole

The Boom Pole is a category 1, 3-point hitch lifting tool. It is constructed from reinforced schedule 40 tubing. It is designed for non-moving lifts up to 500 LBS.
