

V-RIPPERS

R-3 SERIES V-RIPPERS are ideal for breaking up compacted soil for increased water penetration and root growth. The narrow/low profile rippers are designed for category 1 tractors, 30-60 HP, and are available in 50", 60" and 70" tool bar widths and equipped with either 3 or 5 shanks. The 1" x 6" x 23" shanks are shear-bolt protected and equipped with high carbon heat-treated points.
