

17 TERMS OF WARRANTY

A manufacturer's warranty of twelve (12) months from the date of delivery is given to the products named in the enclosed Bill of Delivery.

The warranty will cover any defects in the machine or equipment due to faulty raw materials, structural failures and faulty workmanship. The defective part of the machine or equipment is replaced free of charge with a new or reconditioned part by the guarantor. The warranty for such a part is the remaining time of the original one.

The warranty shall not apply to any faults or defects arising from normal wear, negligence or improper operation, faulty installation or incorrect or inadequate maintenance. The warranty shall also not apply to parts that wear, like hydraulic hoses and seals. The manufacturer will not assume any liability for any economical losses or for any consequential damage to persons or property which may incur through product failure.

The warranty shall be invalidated, if any repairs to the warranted product have been made by others than the manufacturer or a service shop authorized by the manufacturer or if the equipment has been altered.

The warranty shall be invalidated, if the settings of the pressure relief cartridges of the loader's directional control valves have been changed.

The warranty will apply provided that the enclosed combined Bill of Delivery and Possessors/ Owners Assurance of having read and understood the manual is returned to the manufacturer within fourteen (14) days from delivery.

17.1 RESPONSIBILITY FOR DAMAGE

Kesla Oyj will not be responsible for any damage caused by the machine, if the instructions and safety instructions in the manual are not followed. The machine shall not be taken into use before the manual is thoroughly read and understood.

The responsibility of Kesla Oyj for damage shall apply only, when the enclosed combined Bill of Delivery and Possessors/Owners Assurance of having read and understood the manual will be sent to the manufacturer within fourteen (14) days of delivery.
