

Finish Mower

Stock color is orange

The SGM series finish mower is specifically designed for lawn & grass professional mowing and maintenance of areas like private lawns, parks, hospital grounds, schools and golf courses.

FEATURES:

- The SGM mowers are 3-Point Hitch. The power is transmitted by means of two belts from a pulley coupled to the multiplier gearbox shaft to three pulleys coupled to individual pulley's coupled to individual shafts. Each shaft is equipped with a suction type blade turning at a high tip speed for best results in mowing.
- The mowers are provided with 4 swivel wheels that follow the contour of the ground, giving a precise and level cut even in undulating conditions
